INSTALLATION :: OVERVIEW

Welcome to Naval Air Station Jacksonville, a multi-mission base hosting more than 100 tenant commands. Located along the west bank of the St. John's River in Northeast Florida. It's a 20-minute ride to the heart of the city.

Distance in miles from Jacksonville to :

- * Atlanta 346
- * Miami 353
- * Pensacola 358
- * Charleston 242
- * New Orleans 552
- * Savannah 138

NAS Jacksonville is home to the P-3C Orion long range anti-submarine reconnaissance and maritime patrol aircraft, the SH-60F Seahawk anti-submarine warfare helicopters, S-3B Viking Sea Control aircraft, C-40A and C-12 aircraft.

The oldest of three Navy installations in the area, NAS Jacksonville occupies approximately 3,400 acres along the scenic St. Johns River and employs more than 17,000 active duty and civilian personnel. In addition to the employees, NAS Jacksonville services thousands of retirees and family members resulting in nearly \$2 billion being infused into the local community. NAS is a master air and industrial base, vital to our nation's defense, supporting United States, NATO, and allied forces worldwide. Personnel take seriously the rich tradition, support and customer service they provide to our forces and are deeply committed to the station's logo of "Service to the Fleet."

History: For a detailed history of Naval Air Station Jacksonville, please see the installation webpage in [Contacts/Links](#).

Due to budget constraints, this installation no longer has a base telephone operator. Refer to the [Contacts/Links](#) for the NAS Jacksonville webpage, then click on General Info - Telephone Directory.

Commercial Gate - Operating hours will be 4:00am-7:00pm, closed Sundays and Holidays.

Main Gate - Yorktown Ave. Opens 24 Hours - Building 9, located to the right of the main gate entrance, is the Pass & Decal office. Present your vehicle registration, drivers license, military I.D. and proof of insurance to obtain your pass or permanent decal.

TRAFFIC PATTERNS: Once you have entered the base on Yorktown Ave. or Birmingham Ave.,

observe the GREEN ARROWS and RED X's over the highway. If you are in a green arrow lane, you are OK. If you are in a red X lane, change lanes immediately because you have opposing traffic coming at you! During non-rush hour periods, these lanes are two in each direction. During rush hour periods, 4:00AM-7:00AM and 2:00PM-5:00PM, the lanes change to 3 and 1 based upon the direction of the major flow, inbound or outbound.

Major highways to NAS Jacksonville, when driving in, or arriving at Jacksonville's International Airport (JIA) are, I-95, I-10, I-295 and Hwy 17.

FLORIDA LAW REQUIRES YOU TO TURN ON YOUR CAR HEADLIGHTS WHENEVER THERE IS ANY RESTRICTION TO VISIBILITY WHILE DRIVING. THIS INCLUDES RAIN, FOG, SMOKE, AS WELL AS AT DAWN AND DUSK. DRIVE SAFELY!

The NAS Jacksonville Quarterdeck has relocated to the Main Floor of Bldg. 1. Enter the Yorktown Avenue (Main Gate) entrance, proceed to Langley St. The Admin Bldg. #1 is located on the right at the corner of Yorktown Avenue & Langley St. Birmingham Avenue and Yorktown Avenue parallel each other so if you end up entering via the Birmingham entrance, a left turn will get you over to Yorktown.

The NAS Jacksonville Post Office does not have PO Boxes available. Recommend you forward your mail to your new Unit's mailing address, or call the Orange Park, FL 32073 Post Office at 904-264-1388 to establish a PO box.

Billeting Information for all personnel reporting to NAS Jacksonville unaccompanied:

SINGLE E4 & BELOW WITH LESS THAN 4 YEARS OF SERVICE REPORTING ON PCS ORDERS TO NAS JACKSONVILLE, ARE REQUIRED TO LIVE IN THE COMBINED BACHELOR QUARTERS (CBQ). Request chits from E4s requesting to reside off-base will be considered on a case-by-case basis. If you have questions about your entitlements, please contact the Combined Billeting Office at 904-542-8195 or DSN 942-8195. JUNIOR OFFICERS CALL THE TVQ AT 542-3138/3139 OR DSN 942-3138/3139 FOR BILLETING INFORMATION. ASSIGNMENT TO BILLETING IS NOT GUARANTEED.

We do not have berthing available for single E-5 and above personnel on PCS orders to NAS Jacksonville. We can house those E5 and above personnel in our Transient Visitor Quarters for up to 30 days "at cost". You may contact the Reservation Office at 904-542-3138/3427 or DSN 942-3138 for more information.

We have very limited spaces for E5 and above Geographical Bachelors. The rooms are multiple occupant rooms with common head facilities. STRONGLY SUGGEST YOU CONTACT THE CBQ FIRST PRIOR TO ACCEPTING ORDERS. DON'T JUST ASSUME YOU WILL GET GEO-BACHELOR HOUSING. Call 904-542-8196 for information.

SERVICE MEMBERS ARRIVING WITH FAMILIES, check with the Transient Visitors Quarters (TVQ) at 542-3138/3427 for availability of temporary billeting. "Heritage Cottages" are now available for short-term lodging on base. These are furnished 2-Bdrm units with screened porch that sleep six. Cost is \$60.00 a night. Contact the TVQ for reservations.

If you currently have a Homeowner's insurance policy or Renter's insurance, DO NOT CANCEL YOUR POLICIES BEFORE YOU PCS TO FLORIDA!!! TRANSFER YOUR COVERAGE AFTER YOU ARRIVE IN FLORIDA. For more information, please contact Mrs. Wheeler at the NAS Jacksonville Base Housing Referral Office, DSN 942-2844 or COMM 904-542-2844. Prospective renters, see Mrs. Wheeler at Housing for information about the Rental Partnership Program. PARTICIPATION IN THIS PROGRAM WILL SAVE YOU MONEY! Refer to the Community Housing section for more information.

SCHOOL YEAR 2004-2005: St. Johns County schools starts on 6 August, Clay and Duval County schools begin on 9 August. Schools conclude on 20 May 2005 in Duval County and 25 May in Clay County. Public schools for military families residing in government quarters on board NAS Jacksonville, are: Venetia Elementary, J.E.B. Stuart Middle School, and Robert E. Lee High School. Duval County provides bus transportation. HOME SCHOOLING INFORMATION: Please contact the respective County's School Board Office for specifics. Homeschool.com provides additional resources. REFER TO THE EDUCATION SECTION "PUBLIC SCHOOLS" FOR CONTACT INFORMATION AND WEB RESOURCES.

New arrivals, visit your Fleet and Family Support Center (FFSC) located in building 554. The main entrance and parking is directly across the street from the Child Development Center on Child Street. Three blocks after entering the Main Gate entrance, you will turn right on Child St., continue 1 & 1/2 blocks and your FFSC will be on the left.

CAUTION: Florida drivers are impatient and tend to speed up to 'beat a yellow light', rather than prepare to stop. Consequently, many drivers run red lights and you become the victim! Don't become another statistic!! Take an extra second to be sure the oncoming traffic is stopping before you enter an intersection.

HOUSEHOLD GOODS: Provide your contact telephone number & disposition instructions to the Personal Property Office immediately upon arrival in the area. You may stop by the office located on Yorktown Ave. in the Fleet & Industrial Supply Center, Bldg. 110, call 904-542-1000 ext 129 or 1-800-762-4221 ext 129. Customers hours are 7:00am-3:00pm M-F.

CLUB 2000 - NAS Jacksonville has a program called Club 2000. If you are in any bar, club, lounge, or private residence within Baker, Clay, Duval, Nassau or ST. Johns counties and you are impaired, call the NAS Jacksonville OOD office at 904-542-2338. You will be provided a taxi ride, paid for by the station, to your home within the same five counties. If you are in an On-Base Club (this part includes civilians), the Club bartender can assist you in contacting the OOD. NO QUESTIONS ASKED! Pick up the memory jogger Club 2000 cards from MWR. Carry it with you and USE IT!

Duval County Sales Tax is 7.0%; Clay County Sales Tax is 7.0% Florida has no personal income tax.

The Work Schedule: Due to the 5-4/9 alternate work schedule (AWS), NAS Jacksonville departments are manned at limited staff on alternate Fridays. Please note tenant commands may operate by various different work schedules.

The Navy Exchange has Mini-storage facilities available on base. Call 904-777-7146 for additional information.

Your Defense Commissary Store is open 7 days a week, except on federal holidays. Store hours are: Sun 10:00am-6:00pm, Mon-Sat 9:00am-8:00pm. For customer assistance or further information, please call 904-542-3512/3435.

DEPARTING FAMILIES AND NEWCOMERS: don't forget the Navy Wives Club's "Not-New" Shop, located adjacent to the Base Auditorium on Jason St. Open Tues and Thurs 9:00am-1:00pm, and 1st & 3rd Saturdays 10:00am-1:00pm. This is a great opportunity for you to drop off "still usable" household items, clothing and military uniforms so that other military and families can use them. If it's junk, used tires, non-working appliances, just trash it! Newcomers, junior members, and those just setting up a household, stop in to check out the bargains! For more info, phone 772-0242 during open hours. If you have large furniture items or appliances you would like to donate, contact the Navy Wives Club Chairman at 276-7121.

INSTALLATION :: WELCOME LETTER

Congratulations on receiving orders to Jacksonville! Your duty assignment should be challenging and enjoyable. Contact your command or department to confirm your sponsor assignment. Your sponsor should offer assistance, answer questions, and facilitate your arrival and check-in. It is important that you keep your sponsor informed of your travel plans.

There are several major tenant commands residing aboard Naval Air Station Jacksonville. Refer to the Major Unit listing for contact information. If your unit is not listed, call the NAS Jacksonville OOD's office to obtain a telephone number. The OOD's number is listed below.

If you are arriving by commercial air, the Jacksonville International Airport is located about 35 minutes north of NAS Jacksonville. If someone is not meeting you upon your arrival, you can take a taxi for about \$25 and receive reimbursement on your PCS travel claim. You can also call the OOD office at 904-542-2338 for a Navy van to pick you up, if available.

Your first stop, after entering the Naval Air Station, should be at the NAS Jacksonville Quarterdeck, located in building ONE at the corner of Yorktown Avenue & Langley St. This office is manned 24 hours a day. Tennant Command & Squadron personnel may check-in directly with your command. Person's in-transit should report to the Transient Personnel Unit (TPU), located in building FOUR, at the intersection of Enterprise Ave. & Ranger Street.

The greater Jacksonville community, known as "the First Coast", is the East Coast's Gateway to Florida! Comprised of several northeast Florida communities, the First Coast's vibrant and diverse population appreciates the military presence and community support. Jacksonville is a great place to work and is consistently ranked as one of the best places in the U. S. to live.

Welcome Aboard!

INSTALLATION :: DIRECTIONS

NAS Jacksonville is located SW of the City of Jacksonville along the west side of the St. John's river. Arriving from the West on I-10, take I-295 south to exit 10 Hwy 17 north, NAS Jacksonville. Turn left and proceed 2 miles north to Yorktown Ave., the Main Gate and visitors entrance. If you need a temporary base pass or permanent decal, visit the Base Security office located in building 9 on the right prior to entering the base.

From the North, traveling along I-95 south, take I-10 west to Hwy 17 South and you will see entrances to NAS Jacksonville on the left, after approximately 10 miles of driving on Hwy 17.

From the South along I-95 north, due to construction near Jacksonville, follow the Detour signs to

Hwy 1 and then to I-295 north across the Buckman Bridge. Exit 10 is the first exit to the right after crossing the bridge. Directions to the base are the same first described.

INSTALLATION :: CHECK-IN PROCEDURES

You must be in uniform when checking in. Service Dress Blue is universally accepted as a travel uniform and may be worn at check in. Khakis can be worn year-around.

The first stop in reporting on board NAS Jacksonville is to stop at the Officer of the Day (OOD) office located on the first floor of the NAS Jax Administration Bldg. #1. The closest intersection is Yorktown Avenue & Langley Street. Newly assigned Naval Hospital Staff go directly to the Hospital information desk located in Bldg. H-2080, on Child Street. Officer and Enlisted personnel assigned to most commands (except deploying squadrons) at NAS Jacksonville check in with the Personnel Support Detachment located in Bldg. 789, at the corner of Birmingham Avenue and Child Street. Personnel assigned to deploying squadrons check in with their squadron duty office. The Personnel Support Detachment handles personnel and pay matters for most shore commands, including the two shore based training squadrons; Patrol Squadron 30, the VS squadrons, and the two reserve squadrons; Patrol Squadron 62 and Fleet Logistics Squadron 58.

Arriving by Auto - the Air Station is located on Highway 17, two miles North of Interstate 295. If you are driving in from the west on I-10, take the I-295 exit South and get off at exit #10, for Orange Park, Hwy 17 (Roosevelt Blvd.), NAS Jacksonville. You will turn left onto Hwy 17 and proceed about 2 miles to the Main Gate entrance, Yorktown Avenue.

From the North on I-95, take the I-295 cutoff around the west side of Jacksonville, until you reach exit #10, then left on Hwy 17.

From the South on I-95, take the I-295 North exit, across the Buckman Bridge (St. John's River), then exit to the right on Hwy 17, two miles to the Main Gate.

By Air - you will leave the Jacksonville International Airport and turn south on I-95. Follow the directions if traveling from the North. There is no base transportation from the airport to the Naval Air Station. Hopefully, your Sponsor will be there to pick you up. This requires prior planning and contact on your part to keep your sponsor informed of your arrival needs. The United Serviceman's Organization (USO) currently maintains an office on the first level near the baggage claim area. This office is open from 9:00AM - 9:00PM, and they can provide guidance and liaison information for you. If necessary, take a taxi to NAS Jacksonville and be sure to GET A RECEIPT so you can file a travel claim for reimbursement. The taxi ride from the airport will cost between \$25.00 - \$35.00.

If you arrive by Bus, the Greyhound terminal is in downtown Jacksonville. This is not a very nice area, so you will want to catch a taxi soon to NAS Jax. Again, get a receipt.

REMEMBER, IF YOU GET LOST OR NEED ASSISTANCE, CALL THE NAS JACKSONVILLE OFFICER OF THE DAY (OOD) AT 904-542-2338.

Arriving after normal working hours:

Unaccompanied - The first stop is the station OOD who will endorse the service members orders. The OOD's office is located in Bldg. #1 at the corner of Yorktown Avenue & Langley Street. The next stop will be at Central Billeting Bldg. 822 for enlisted personnel, or the TVQ in building 11, where temporary quarters will be assigned until permanent assignment is made. The OOD can provide directions. Permanent quarters are not guaranteed for single members E-5 and above. The service member will be required to report to the Personnel Support Detachment (PSD) building 789 at 9:00AM the next working day. PSD is located at the corner of Birmingham Avenue

& Child Street.

Accompanied - If service member is accompanied by family members, the first stop is the station OOD who will endorse the service members orders. If permanent quarters have not been acquired, prior to the service members check in, temporary quarters will need to be obtained. If the service member made advance reservations at the Navy Lodge, you must check in between 3:00pm - 6:00pm. If arriving after 6:00pm, you must secure the room with a credit card, or your reservation will be cancelled. If you failed to make a reservation, there may still be room and you should call 904-772-6000 to inquire. If no room is available at the Navy Lodge, temporary lodging may be available at TVQ Bldg. 11. Call (904) 542-3138 to see if they have room there or in the Heritage Cottages, otherwise lodging will have to be obtained off base. Refer to the Housing section of this booklet for local temporary lodging telephone numbers. The service member will then report to the Personnel Support Detachment (PSD), building 789, at 9:00AM the next regular working day.

INSTALLATION :: VEHICLE REGULATIONS

The following information is provided as a guide only.

THE BIKE PATH FOR YORKTOWN AVENUE IS THE SIDEWALK. Riding a bicycle on Yorktown itself is too dangerous, and is not authorized.

VEHICLE CHECKS: Seat belts must be worn in accordance with Florida State law, and base regulation requires ALL PASSENGERS to wear seat belts while on the installation. Base security personnel do establish random check-points on the gates to ensure that seat belts are in use. Violators are subject to citation.

FIRE ARMS ARE NOT PERMITTED ON BASE AND WILL BE CONFISCATED AS CONTRABAND, unless approved by the Commanding Officer, NAS Jacksonville, for storage in the base armory. For more info, stop by building 9, Main gate Security bldg., or call the weapons department at 904-542-3337.

The base security K-9 division also conducts random checks for controlled substances on vehicles entering the NAS Jacksonville. If you would like to have your vehicle checked, i.e. you recently purchased a used car and are unsure of previous owners habits, call base police dispatch, 542-2662/2663, and leave a message for the K-9 division to get in touch with you. Courtesy inspections can be arranged on-base.

Crime Stop Neighborhood Watch Program is in effect in the housing areas.

RESTRICTED AREAS: Flight line and weapons areas have restricted entry. In addition, several other offices and buildings require special badges for entry.

PHOTOGRAPHY: Photography is prohibited on the flight line.

CYCLING: SAFETY HELMETS ARE REQUIRED FOR ALL BIKE RIDERS ON BASE, IN ACCORDANCE WITH COMNAVBASE REGULATION.

MOTOR VEHICLE/DRIVERS LICENSE/REGISTRATION INFO

You may drive in Florida without getting a Florida driver's license if you hold a valid driver's license from your home state. A Florida driver's license is required of any driver who becomes a resident of Florida, is employed in Florida, or registers a child in a Florida public school. Licenses must be obtained within 30 days of the above actions.

New residents are required to pass a visual examination if they have a valid license from another state. Test appointments are recommended but not needed. A new license costs \$20 and is valid for six years. License renewal is \$15 and replacement cost is \$10.

Drivers must be at least 16 years old to qualify for a driver's license and 15 to get a restricted learner's permit. The NORTHEAST FLORIDA SAFETY COUNCIL offers Nine Driver Improvement Programs designed to teach students the values of safe and sober driving. These include the Basic Driver Improvement Course (BDI), the Traffic Collision Avoidance Course (TCAC), Advanced Driver Improvement (ADI), Drug, Alcohol Traffic Education Program (DATE), Child Restraint Offenders Program, Step Forward, Driving Under The Influence 1, Driving Under The Influence 2 and Special Supervision Services. It is our belief that well-taught, well-organized classroom experiences can change behavior and result in safer roads for all drivers. SEE THE DETAILED RECORD LISTING FOR OFFICE LOCATIONS for the Driving Course Programs.

In registering your vehicle, it is emphasized that only people who have home state drivers licenses and car registration are exempt from licensing themselves and their vehicles in Florida. Florida has a special reduced auto registration fee for drivers who do not intend to establish Florida as their home of record. To get the reduced rate, take a copy of your orders to the local motor vehicle registration office.

New residents must register their vehicles and obtain Florida license tags within 30 days of establishing legal residency or by the day you begin work in Florida or by the time you register your child in school.

To register your vehicle on base you will need the following: Proof of ownership or right to operate the vehicle, a valid drivers license, name of insurance company, policy number and expiration date, and a minimum coverage of \$10,000 Property Damage Liability and Personal Injury Protection (PIP) with no greater that a \$2000.00 deductible.

WINDSHIELD DAMAGE: In Florida, as long as you have Florida comprehensive & collision insurance, in the event your automobiles windshield is damaged in any way, your insurance company is liable to replace it without any deductible payment.

LOCAL COMMUNITY :: WEATHER

Jacksonville's climate is characterized by short mild winters, warm and humid summers.

The Spring and Fall months are weather transition periods, when turbulent and severe weather can occur, but it's also during the Spring and Fall when some of Jacksonville's most beautiful weather and pleasant temperatures occur.

Hurricane season runs from 1 June - 30 November, although hurricanes have been known to occur infrequently during other months of the year. DO YOU HAVE YOUR HURRICANE EMERGENCY SUPPLIES KIT PREPARED? Contact the local Naval Atlantic Meteorology and Oceanography Facility at 542-2535 for more information and guidance.

LOCAL COMMUNITY :: TIME ZONE

We "Spring Ahead" one hour, usually the first Sunday morning in April at 2:00AM to begin Daylight Savings Time.

We "Fall Back" one hour, normally the last Sunday in October, to return to Eastern Standard Time.

We are Minus 5 hours (-5) from GMT.

LOCAL COMMUNITY :: NEARBY TOWNS

With 840 square miles ---more than Los Angeles and New York combined--- Jacksonville is one of the largest U.S. cities in land area. Home of the National Football League's (NFL) Jacksonville Jaguars, more than 1 Million people live in Duval County. Florida's first coast is comprised of five county areas of which Jacksonville is the hub.

Featuring a temperate climate incorporating seasonal changes, miles of beautiful waterways and beaches plus a myriad of public facilities for work and play, the area literally offers something for everyone. Jacksonville's lifestyle is active and family oriented. Public schools are fully accredited, medical care is state of the art and fire and police protection is first rate.

Jacksonville spans both banks of the broad St. John's River, and is the commercial, financial and cultural heart of Northeast Florida and Southeast Georgia.

Many people assigned to NAS Jacksonville live either on the Westside of Jacksonville or south of the base in Clay County. The town of Orange Park is the largest of several pleasant communities in Clay County, and many Navy families make their home in this fast growing community. In the past two decades the population of Orange Park has grown from only a few thousand to more than 40,000. It is next door to Jacksonville but has a separate government and tax structure.

Enjoy Jacksonville; there is plenty going on all year round. Skim the surface of the St. Johns in a sailboat, attend the Jacksonville Jaguar NFL football games, view the sunrise over the Atlantic

Ocean, enjoy miles of coastal beaches, grow magnificent flowers and vegetables in every season or conquer championship golf courses.

If arriving in Jacksonville by car via I-10, or I-95, take the I-295 south exit and head towards Orange Park. Take exit 10 to Hwy 17 and go north approximately two miles to the main gate entrance to NAS Jacksonville.

Jacksonville International Airport (JIA) Location: North side of the city off Interstate 95. A \$100 Million expansion makes it a showcase of modern transportation, providing direct passenger service to more than 60 cities. The USO has a military liaison office located on the first level near the baggage claim area. This office is currently open from 9:00AM - 9:00PM and can be reached by calling (904) 741-6655. If your sponsor has not come to meet you and you need assistance, visit this office. Routine military transportation between the airport and local area bases is not yet available. A Taxi ride from JIA to NAS Jacksonville costs about \$25.00.

Jacksonville is also serviced by an AMTRAK Train Station, the Jacksonville Transit Authority (JTA) providing local Bus Transportation, Greyhound Bus Lines, and several taxi and limousine services.

MOTOR VEHICLE/DRIVERS LICENSE/REGISTRATION INFO

You may drive in Florida without getting a Florida driver's license if you hold a valid driver's license from your home state. A Florida driver's license is required of any driver who becomes a resident of Florida, is employed in Florida, or registers a child in a Florida public school. Licenses must be obtained within 30 days of the above actions.

New residents are required to pass a visual examination if they have a valid license from another state. Test appointments are recommended but not needed. A new license costs \$20 and is valid for six years. License renewal is \$15 and replacement cost is \$10. Drivers must be at least 16 years old to qualify for a driver's license and 15 to get a restricted learner's permit. The NORTHEAST FLORIDA SAFETY COUNCIL offers Nine Driver Improvement Programs designed to teach students the values of safe and sober driving. These include the Basic Driver Improvement Course (BDI), the Traffic Collision Avoidance Course (TCAC), Advanced Driver Improvement (ADI), Drug, Alcohol Traffic Education Program (DATE), Child Restraint Offenders Program, Step Forward, Driving Under The Influence 1, Driving Under The Influence 2 and Special Supervision Services. It is our belief that well-taught, well-organized classroom experiences can change behavior and result in safer roads for all drivers. SEE THE DETAILED RECORD LISTING FOR OFFICE LOCATIONS for the Driving Course Programs. Florida has a special reduced auto registration fee for drivers who do not intend to establish Florida as their home of record. To get the reduced rate, take a copy of your orders to the local motor vehicle registration office.

WINDSHIELD DAMAGE: In Florida, as long as you have Florida comprehensive & collision

insurance, in the event your automobiles windshield is damaged in any way, your insurance company is liable to replace it without any deductible payment.

LOCAL COMMUNITY :: ACTIVITIES

A multitude of events occur in Jacksonville throughout the year. Here are just a few of many: The city's calendar of cultural events offers an exciting selection.

The Jacksonville Symphony Orchestra continues to affirm its place as the leading performing arts organization in Jacksonville and a vital part of cultural life on the First Coast. As one of a handful of American orchestras with its own dedicated concert hall, the Jacksonville Symphony Orchestra performs the majority of its programs in the internationally recognized Robert E. Jacoby Symphony Hall at the Times-Union Center for the Performing Arts, the only true orchestra concert hall in Florida. The Jacksonville Symphony Orchestra also reaches audiences in venues that vary from schools and senior citizen centers to stages throughout Florida and the Southeastern United States. Local listeners can hear weekly JSO broadcasts on WJCT 89.9 FM, and in recent seasons, the JSO has reached a national audience with appearances on National Public Radio's "Performance Today." With a budget of \$6.2 million, the Jacksonville Symphony Orchestra reaches over 220,000 residents on the First Coast and throughout Florida. Nearly half of these residents are children, who benefit from the Symphony's extensive education programs, including concerts, ensemble performances and master classes, a school partnership program - Symphony Schools - and the Jacksonville Symphony Youth Orchestra. In addition to last season's schedule of 129 concerts, Symphony musicians gave nearly 200 educational ensemble performances in schools and senior centers.

Several ballet companies, including the professional Florida Ballet at Jacksonville, offer regular performances. The St. Johns River City Band, Jacksonville's "official band", offers frequent outdoor concerts. Three Jacksonville museums offer widely varying exhibits and programs. The Northeast Florida and Southeast Georgia areas have numerous activities suited to the most discriminating person. Due to its weather and normally moderate conditions, Jacksonville and the surrounding area is a Mecca for outdoor activities.

The NFL's Jacksonville Jaguars play their home games in Alltel Stadium, a modern sports complex on the east side of downtown Jacksonville. The stadium seats 73,000 plus, and is also the location of both the nationally televised "Gator Bowl", a Holiday Classic, and the traditional University of Florida-University of Georgia "Florida-Georgia" football clash.

If you like baseball, the Jacksonville Suns, AA Farm Team of the LA Dodgers, calls Jacksonville their home.

Hockey has come to Jacksonville too! The "Jacksonville Barracudas" are in the newly formed Southern Professional Hockey League. Last year the Barracudas were the Atlantic Coast Hockey League Champions.

Greyhound dog racing, rotates year-round between three area tracks, racing live at one track and simulcast at the others.

Boating, swimming, water skiing, fresh and salt water fishing, wind surfing, surfing, sailing and other water sports are popular year around.

There are numerous options for Golfing in Northeast Florida, and Golf's "Hall of Fame" is located at the World Golf Village

Other Florida attractions within easy driving distance include: St. Augustine, the nations oldest city, Sea World, Cape Canaveral, Cypress Gardens, Silver Springs, Walt Disney World, Epcot Center, Universal, MGM Studios, and Busch Gardens.

There are over 50 denominations and faiths represented in the First Coast area with a total of more than 500 churches, Synagogues, and Mosques. Places of worship are listed by denomination in the yellow pages of the telephone directory.

INSTALLATION :: LOAN CLOSET

The Relocation Assistance Program Specialist, located at the Fleet & Family Support Center, Bldg 554 on Child St., has a limited number of "Loaner" Hospitality Kits set up for a family of 4. Kits include Pots N Pans, dishes, flatware, toaster, coffee maker, basic necessities to tide you over until your household goods arrive. Other loaner items include Single-wide sleep pads, a few play pens and a couple of high chairs. To check these out, the service member or spouse must present the service members orders and have a current military I.D. card, address and telephone number. Duration of loan is normally not to exceed 30 days. Bring everything back clean and complete, or replace what you've lost or damaged. Unlike overseas, we do not have linens, furniture or appliances.

The Navy Wives Club operates the Thrift Shop (Not-So-New Shop), located adjacent to the base theater on Jason St. It is open on Tuesday and Thursday from 9:00 AM - 1:00 PM, and 1st & 3rd Saturdays from 10:00 AM - 1:00 PM. Call 772-0242 during open hours.

New home construction is booming in the NE Florida area, particularly with current low interest rates. Prospective buyers should research an area for traffic, crime, schools and other amenities before you decide to purchase or build in an area. Ideally, it's better to rent first, get familiar with the locality, and then decide to build or buy an existing home.

Numerous Realtors are available to assist new home buyers. Visit the web or refer to the NAS Jacksonville Newcomer's Guide for advertising. Look on the Web for new home construction in NE Florida. You'll find several builders to choose from building in several locations.

LOCAL COMMUNITY :: MOBILE HOMES

There are several Mobile Home Park listings in the BellSouth yellow pages. See "contacts for mobile homes" for some of the listings.

Mobile homes are not so mobile. Think twice before 'purchasing' one. When making a PCS move, the government can only assist in moving Single-wide units, there are many extra costs you bear, and the mobile home counts against your HouseHold Goods weight allowance. That adds up to many \$\$\$\$ out of your pocket. For more information concerning this topic, contact the Personal Property Office at (c) 904 542-1000 Ext. 105.

CATEGORY: HOUSEHOLD GOODS

INSTALLATION :: OVERVIEW

The Navy refers to the household goods office as the Personal Property Office (PPO). Other military branches call it Transportation Management Office (TMO). Regardless of the name, this office is where all persons wanting to move household goods must go for approval and set up of

their move. Your orders contain the accounting data needed to get things moving! SMARTWEBMOVE is another option for setting up your move. Look for the details under the contact listing "arranging shipments".

INSTALLATION :: ARRANGING SHIPMENTS

The mission of the Personal Property Shipping Office is to assist Department of Defense personnel in relocating their personal property around the world.

Once you receive your written orders to make a Permanent Change of Station (PCS) move, contact the outbound section and make an appointment for your group counseling session. A minimum of FOUR weeks is desired during the October to April time frame. During the May to September time frame, six weeks notification is desired. It is never too early to contact your Personal Property Office to discuss your move. As soon as you confirm that you are going to move, contact the office to discuss your options. Remember the more you plan ahead, the smoother your relocation will be.

One of your options is to set your move up using the on-line program SmartWebMove. This program is self-paced, giving you the opportunity to start/stop/save data until you are completed. Then you fax or drop your orders by the Personal Property Office. DITY Movers do not qualify for SmartWebMove.

INSTALLATION :: UNACCOMPANIED BAGGAGE

Typically, the unaccompanied baggage shipment is one of a few options for persons making a Permanent Change of Station (PCS) move to an overseas location. This shipment, normally never exceeding 1000lbs, is comprised of basic necessities a person or family would like to have even prior to the arrival of their regular household goods shipment. It may include some kitchen essentials, linens, clothing, childrens toys, portable TV & VCR, but generally not furniture items. If you have questions, contact your Personal Property Office.

INSTALLATION :: PERSONAL PROPERTY

Upon arrival in Jacksonville area, contact the Personal Property Office (PPO) immediately to establish your "In-bound" contact information. You must provide the PPO with a current telephone number and, if available, a delivery address for your incoming household goods (HHG). If you have a residence, and a contact telephone number, it may be possible to have your HHGs delivered directly to your residence the same day the shipment arrives. Routinely, the PPO contacts you, with the number you provide, as soon as the shipment arrives and arranges a delivery with you. If you do not have a telephone, you may ask the PPO for a beeper, available on a limited, case-by-case basis. Once your shipment arrives, the PPO will call, or "beep" you for a return call, and delivery arrangements will then be established. If you cannot be reached, or if you do not have a delivery address, your shipment will be directed into Storage-In-Transit (SIT). You will be provided with the name and telephone number of the SIT warehouse and you will be allowed to arrange delivery with the warehouseman when you have a residence.

When you have established a delivery address and are ready to take delivery of your HHGs in storage, contact the warehouseman five (5) working days prior to your desired delivery date. This much time is needed to allow adequate planning for delivery. During peak season, from April through September, you should contact the warehouseman eight (8) working days prior to your desired delivery date to ensure you get the date you want.

We recommend you appoint another adult to be present with you during the delivery of your HHGs. Having an "extra" person will allow you the ability to check-off your HHGs inventory as your goods are being brought into the house; while also directing the movers where you want your articles placed in the residence. The movers are required to unpack all cartons unless you waive unpacking. The movers are also required to reassemble all articles which were disassembled by the origin movers and to remove all empty cartons and debris associated with their unpacking. However, if you unpack cartons after the movers leave, they are not required to come back for your empty cartons & packing debris.

You will be given two documents to sign at delivery: 1. The DD619-1 statement of accessorial services. Note that the carrier may request your signature if your property must be carried more than 75 feet from the truck to your door or up more than 6 steps. 2. The DD1840 the joint statement of loss or damage at delivery: This form will be given to you by the mover in five parts. List all missing items by inventory number, name & description; for damaged items, also list the location of damage. If an item listed on the inventory IS NOT DELIVERED, YOU MUST RECORD this at the time of delivery. All missing inventory items must be written down on the 1840 BEFORE the movers depart. If you need more space, use a separate piece of paper. Please fill in the block for estimated dollar amount of loss or damage. This will help us in evaluating your shipment & removing carriers that have high amounts of damage. The driver should sign the DD1840 as well as any additional sheets. 3. After the driver leaves, any loss or damage observed MUST be listed on the reverse (DD1840-R). NOTE: FAILURE TO SUBMIT THE DD1840/R WITHIN 70 DAYS OF YOUR DELIVERY MAY RESULT IN NON-PAYMENT OF YOUR CLAIM! You may submit the DD1840/R to the nearest Personal Property Office.

INSTALLATION :: POV SHIPMENTS

Jacksonville is not a point of Debarkation for POV's, except for POV's coming from Guantanamo Bay, Cuba. POV's from Guantanamo Bay arrive at Coastal Maritime Co., 8998 Blount Island Blvd., Jacksonville, approximately 24 miles from NAS Jacksonville. This is an industrial port area located northeast of the city, east of the Dames Point Bridge/Expressway. The closest intersection is Heckscher Drive and Route 9A. GOVERNMENT TRANSPORTATION IS 'NOT AVAILABLE' from NAS Jacksonville to Blount Island for vehicle pick-up. The taxi fare is approximately \$35.00 from the NAS Jax Air Terminal to Blount Island via River City Taxi. They serve the base and can be reached at (904) 777-0270. Get a receipt for your travel claim!!!

FOR IMPORT

When picking up your car at the port of Debarkation, have your Identification Card, vehicle registration, DD-788 (POV Shipping Document), and one (1) set of car keys ready when you arrive at the contractor's facility. The address and telephone number, as well as directions to the facility, may be obtained from the numbers listed below. Please ensure you make a careful inspection of the physical condition of your POV and record any discrepancies prior to signing the

delivery form DD-788. While not a POV port agency, the Jacksonville Personal Property Office will provide entitlement information and port of embarkation for shipping your POV. The nearest POV processing office is Orlando, FL.

For POVs shipping to Cuba, documentation is done at Coastal Maritime, Blount Island.. See contact record for info on turn-in location for Coastal Maritime.

INSTALLATION :: SELF-MOVES (DITY)

Self-Moves, more commonly referred to as the Do-It-Yourself (DITY) move, REQUIRES PRE-authorization from your Personal Property Office (PPO) or TMO, in order for you to seek reimbursement for your expenses. In most cases, you'll be entitled to a 60% advance of your estimated entitlement, which you use to procure a truck and packing materials, etc. Once you have made your move, another REQUIREMENT is that you complete your DITY move paperwork and file your claim to the prescribed PPO. Once you have filed your DITY claim, you will be entitled to up to 35% more in incentives. This incentive is taxable. Should you fail to complete your DITY move claim within 6 months after your move, your military pay office will be required to recoup all monies advanced to you!!!

INSTALLATION :: PETS

There are no pet boarding facilities on board NAS Jacksonville. There is no pet quarantine on this base. However, if you reside in base housing, it is mandatory that you register your pet(s) with the Base Veterinarian office, located in Bldg. 537; bring proof of inoculations.

Pets must be spayed/neutered and have a microchip I.D. implant prior to residing in base housing. There is a leash law on base and your pet must be constrained to your property and not allowed to run loose.

Consult with the Personnel Support Detachment Transportation office if you are planning to PCS overseas with a pet from the Jacksonville area.

Extended day-care programs are available at most public schools. The School Board does not believe grade placement will be adversely affected for children transferring in or out of Duval County Schools.

Duval county operates an innovative Magnet School program involving 84 of the districts public schools. Refer to the Duval County Schools web site for additional information. Curriculum are specialized in these schools and students from the county focus on programs geared to their

interests. In general, students in the elementary grades may apply to programs within their geographic zone subject to racial balance guidelines. Middle and high school students may apply to any magnet program as long as they make a desegregative choice (one that improves racial balance). APPLICATION DEADLINE FOR THE MAGNATE PROGRAM IS 28 FEBRUARY EACH YEAR FOR THE NEXT APPLICABLE SCHOOL YEAR.

Bus transportation is provided to the magnet schools from neighborhood schools, allowing children of all ages to ride their neighborhood bus. Magnet programs begin in elementary school and are voluntary. Types of programs include academic enrichment; aviation and aerospace; business/finance/legal professions; communications; Computer/technology; foreign language; gifted and academically talented; government; international studies; Montessori; math/science/pre-engineering; medical/health care; physical fitness; visual and performing arts, and others.

Special Services and Programs

PRE-K- The school district has a Pre-Kindergarten program at selected school sites for children, ages 3 and 4, called School Readiness Pre-Kindergarten. Admission requirements are based in part on family income and state guidelines. Another Pre-K program serves children, ages 3 and 4 with special needs, who qualify for the program through testing. This program is through the Exceptional Student Education department.

ESOL- (English for Speakers of Other Languages) The ESOL program is designed to meet the communication and academic needs of students whose native language is something other than English. ESOL classes are offered on several school campuses around the district. These classes help ease students into the English-speaking classroom through comprehensive instruction.

Please call 904-272-8143, COMMUNITY RELATIONS, for further information, and Newcomer, and Immunization packets. POC is Ms. Darlene Mahla.

State Minimum Graduation Requirements:

Florida High School Graduation Requirements

Current statewide standards:

Students in all of Florida's public high schools must meet statewide standards in order to graduate with a standard diploma. At a minimum, students must complete 24 academic credits in

grades 9-12, pass both sections of the High School Competency Test, and maintain a 2.0 cumulative grade point average (GPA) for courses taken during or after 1997-98. These minimum state standards also require that the 24 course credits be distributed as follows: four credits in English, with major concentration in composition and literature, three credits in mathematics, at least one of which must be in Algebra I, its equivalent, or a higher level course, three credits in science, two of which must have a laboratory component, one credit in American history, one credit in world history, including a comparative study of all major political systems, one half credit in economics, one half credit in American government, including study of the U.S. Constitution and the structure of the state and local government, one credit in practical arts career education or exploratory career education, or one credit in performing arts, or one half credit in practical arts / exploratory career education and one half credit in performing arts, one half credit in life management skills, one half credit in physical education, and nine elective credits.

High School Competency Test (HSCT):

The HSCT is a basic skills test in mathematics and communications administered to Florida students in eleventh grade. Students must pass both subject areas in order to graduate with a standard diploma. Examinees who do not pass on the first attempt are given other chances to take the test.

Increased standards for graduation:

Current minimum standards reflect several changes made by the 1997 Florida Legislature to raise graduation requirements, including the following: increasing the minimum cumulative GPA requirement from 1.5 to 2.0, as applied to courses taken in 1997-98 and thereafter, mandating Algebra I or its equivalent as a minimum requirement for graduation, limiting access to and credit awarded for lower-level coursework, and raising the percentage grading scale for grades C (from a minimum of 75 percent to a minimum of 77 percent) and D (from a minimum of 65 percent to a minimum of 70 percent).

District school boards are authorized and encouraged to establish graduation requirements beyond the state minimum requirements. With school board approval, school districts may raise the required number of course credits for grades 9-12 as well as specific course requirements. This expansion of graduation requirements corresponds with other initiatives to enhance performance standards for all students in Florida. For further information call (850) 487-2280 or SunCom 277-2280.

HOME SCHOOLING INFORMATION: Please contact the respective County's School Board Office for specifics. Homeschool.com provides additional resources. There are a variety of private schools in the area, some parochial. Admission criteria varies from school to school as do test scores and transportation availability. You will want to check to make certain the school meets the minimum criteria of the state of Florida for graduation requirements (see Public Schools), especially if you wish your child to continue education beyond high school. Each school has its own standard regarding academic work. There are many schools in the area who work with children with special needs. The schools are located in every area of town so there will be one near you.

See the Contact list for a listing for some of the private and parochial schools in the area. Please contact the schools for additional information, and consult the local telephone directory for additional schools.

CATEGORY: EMPLOYMENT

INSTALLATION :: OVERVIEW

The Jacksonville metropolitan area consists of Duval, Clay, Nassau and St. Johns counties. Unemployment rates in August 2004 were in Clay 4.4%, Duval 5.5%, Nassau 3.8%, St. Johns 3.2%, with a Florida Average of 4.8%. The average weekly wages were Clay \$456, Duval \$682, Nassau \$591, St. Johns \$574, with a Florida average of \$641, according to the Florida Bureau of Labor Market Information.

Jacksonville's assets include an International Airport, Seaport, and intersecting major interstate highways (I-10 & I-95). The Corporate Headquarters for CSX Railroad services is in Jacksonville, and the city is home to several major distribution companies. Another major asset is the Jacksonville Jaguars, our National Football League (NFL) franchise team, which has helped put Jacksonville on the national map!

Major employers (non-manufacturing) are: NAS Jacksonville; Naval Station Mayport; Duval County Public Schools; State of Florida; City of Jacksonville; Jacksonville Port Authority (aviation & seaport); Winn-Dixie Stores; Blue Cross/Blue Shield; Bank of America; Wachovia Bank; Modis.

Major Employers (manufacturing) are: Naval Aviation Depot (NADEP) @ NAS Jacksonville; Vistakon; Florida Publishing; Crowley Maritime; Jefferson Smurfit; Container Corporation of America; Northrop/Grumman St. Augustine Corporation.

GOOD PROSPECTS: Teachers, Staffing agencies remain good sources for employment (clerical to telemarketing); Registered Nurses are always in high demand! Home health care, and service related occupations remain steady. Home-building, residential construction continues strong in NE Florida..

FAIR PROSPECTS: Banking jobs are fair to good.

POOR PROSPECTS: Federal jobs are not plentiful, with a Spring 2004 hiring freeze implemented for all DOD jobs in the Southeast Region. Applicants must be persistent, and revisit the CHART (previously resumix) system for the latest in opportunities.

For information on Florida Industry and Occupational Employment Projections, 2000-2010, refer to the Contact/links.

INSTALLATION :: SPOUSE ASSISTANCE

The Navy's Spouse Employment Assistance Program counselor is available to offer employment assistance to military spouses only. By appointment, the counselor interviews the spouse to determine strengths and skills, and then attempts to match these skills to the employers needs. Associated workshops offered include Career Exploration, Self Directed Search, Federal Employment, Marketing Yourself, and Written Marketing Tools.

INSTALLATION :: FEDERAL GOVERNMENT

To be eligible to register in the Military Spouse Program you must be married to an active duty service member who has PCS orders, and be a current federal appropriated fund employee or have reinstatement eligibility or eligibility from an overseas appointment. You may register for

positions for which you are fully qualified, up to the highest grade held. You may access the HRO Southeast Home Page on the Internet for vacancy announcements.

Due to the downsizing of the federal government, local federal DOD jobs are not too plentiful, in fact a hiring freeze has been implemented for DOD jobs within the SE Region. This does not mean there are not opportunities with other federal agencies. You must be persistent in your job search.

LOCAL COMMUNITY :: EMPLOYMENT RESOURCES

The military spouse who is seeking to develop a personal career must tackle the problems imposed by frequent moves. Networking before you move as well as after you arrive can sometimes be the key to a successful job search.

Some "Tips for a Career Move" include:

Check to see if your present employer has a facility in the Jacksonville area. A transfer may be possible.

Talk about the move; friends, relatives or co-workers may have ideas.

Subscribe to the Jacksonville Times-Union, 1 800 553-0541, M/C & Visa cards accepted.

Check with the State of Florida immediately for requirements if you are in a licensed or certified position.

Contact the new locations Chamber of Commerce for local business listings. Refer to community contact listing.

Contact local chapters of professional organizations. Join a business or service organization for camaraderie and networking. This includes your church too!

Notify potential employers that your move is paid for, therefore you will be competing evenly with local applicants.

Check with your local Transition Assistance office and browse the America's Job Bank, and the Transition Bulletin Board for available jobs in Florida.

Check with the Transition Assistance office at NAS Jacksonville, (c)904-542-2766 ext 151 for information on the latest job fairs.

INSTALLATION :: OVERVIEW

Naval Hospital Jacksonville is a general medical and surgical hospital offering both inpatient and outpatient care. The hospital also has the Navy's largest Family Practice Training Program. The hospital is fully accredited by the Joint Commission on the Accreditation of Health Care Organizations (JCAHO). Accreditation is a professional recognition for health care facilities that is an indicator of high-quality health care.

There are seven branch medical clinics under the administrative control of the hospital's Commanding Officer. Three are in Florida; NAS Jacksonville, NAVSTA Mayport, and NAS Key West. Four are in Georgia; Subase Kings Bay, NAS Atlanta, Navy Supply Corps School Athens, and the Marine Corps Logistics Base, Albany.

The hospital and branch clinics serve a beneficiary population of more than 200,000 people, of which more than 135,000 reside in North Florida. The hospital and branch clinics are in TRICARE Region Three.

NAVHOSP JACKSONVILLE DEPARTMENT OF DEFENSE "CHIROPRACTIC HEALTH CARE DEMONSTRATION PROJECT" (CHCDP). Established to evaluate the feasibility and advisability of furnishing chiropractic care through the medical care facilities of the Armed forces. Eligible patients with spine-related neuromusculoskeletal conditions, who wish to participate, will choose either chiropractic care or traditional care for treatment. After completing the screening process, an initial survey and a patient acknowledgement form will be completed by all patients. Patients will also be asked to complete a four week follow-up survey. Involvement is on a voluntary basis. Clinics taking part in the program are Family Practice, 542-4677, BMC Jacksonville, and 542-3500 intercom 1. To schedule an appointment in the Chiropractic clinic, call Central Appointments at 542-4677. POC is MaryBeth, at 542-7463.

INSTALLATION :: MEDICAL

The Naval Hospital is located on board NAS Jacksonville at 2080 Child Street, and Branch Medical Clinic Jacksonville, also on board the base, is located in building 964 on Enterprise Ave.

The hospital staff on board NAS Jacksonville provide most of the general specialties including family practice, internal medicine, surgery, obstetrics, gynecology, psychiatry, radiology, ophthalmology, urology, pediatrics, ear nose and throat, neurology, orthopedics, and even chiropractic for active duty members.

Active duty personnel at NAS Jacksonville receive their primary care at Branch Medical Clinic Sick Call. Sick call is by appointment for the convenience of patients. The appointment line is 904-542-3406 or 3407.

The hospital has an Emergency Room providing emergency medical care for all eligible beneficiaries.

The hospital provides primary care for active duty family members, retirees and their family members on a space required basis for those enrolled in TRICARE Prime that have requested the hospital as their Primary Care Manager. All others are seen on a space available basis.

Deployed Sponsor Notification - When requested by the spouse, sponsors will be notified by message of their family member's admission.

Exceptional Family Member Program (EFM) - For family members with special needs requiring special medical care. For information call the EFM Coordinator, Ms. Galya Taborn, at 904-542-7348.

Naval Hospital Jacksonville Outpatient Pharmacy - refer to telephone list and the new Web Refill System.

Wellness Center - The hospital's Wellness Center provides classes and help with weight reduction, smoking cessation, stress reduction, high blood pressure control, cholesterol reduction and individual counseling on physical fitness and sports training. Call the Wellness Center at 904-542-5292.

Overseas/Sea Duty Screening - Overseas Screening at NAS Jacksonville is accomplished at the branch medical clinic by appointment. Call 904-542-3500 ext 8733 for an appointment. Questions about screenings can be directed to 904-542-2127.

Secretarial Designee - Families who have been granted custody of a child as a ward by the court may seek secretarial designee status for these children. The child may then be entitled to health care at this military treatment facility when approved by the Hospital Commanding Officer. Call Patient Admin at 904-542-7585 for more information.

Medical Power of Attorney - Planning to go on leave, TAD or business trip? Plan to leave children with another adult, relative or neighbor? You need to ensure that you leave a medical power of attorney for those individuals being left with the responsibility to care for them. For Medical Powers of Attorney contact the hospital Legal Office at 904-542-7816.

Primary Health Insurance - If you have employer sponsored health insurance, please report it when checking in for your appointment. Dependents and retirees with employer insurance (does not include supplemental insurance), must report that they have this benefit when treated at a military health care facility as an inpatient or outpatient. Except for meal charges, the hospital will wave deductibles and cost shares.

Patient Services - Each clinic and ward at the hospital has a Patient Services Representative who is trained to assist patients that have questions or concerns. The hospital Patient Services Representative can be reached at 904-542-7377.

DEERS - All beneficiaries must be enrolled in DEERS. Failure to enroll in DEERS may result in non-payment of your bill being submitted by a CHAMPUS Physician or delay routine care in our hospital or clinics. Check with the Personnel Support Detachment (PSD), 904-542-4236, to make sure DEERS is up-to-date.

INSTALLATION :: DENTAL

The Naval Dental Center is located on board NAS Jacksonville in Bldg. 964, between Enterprise & Birmingham Avenues, adjacent to the active duty medical clinic. Dental Sick Call hours are 0730-1045, and 1230-1500 Mon-Fri. Military Retirees can be seen on a space-available basis. To be considered, report for sick call and be seen as space-available. Any follow-up treatment, i.e. cleaning, fillings will also be done on a space-available basis. Emergency After Hours, please call. 904-542-3441 After hours emergencies are treated by an on-board dental technician and an on-call dental officer. Enrollment of family members in the Tricare Family Members Dental Plan (TFMDP) is highly encouraged due to very limited space available. By law, family members enrolled in the insurance plan are not eligible for treatment at the military dental facilities for any dental procedures covered by the plan. The Dental Insurance plan is widely accepted by civilian dentists in the Jacksonville area!

LOCAL COMMUNITY :: HEALTH BENEFITS/TRICARE

TRICARE is the Department of Defense (DOD) Managed Healthcare Program. All active duty personnel with eligible family members, who are reporting to this area, should check in with the TRICARE Service Center servicing this region. See Contact listing for more information. Military Reservists called to active duty for 30 or more days, who have eligible family members, as well as military retirees moving to this area, should also contact the TRICARE Service Center for assistance.

Enrollment of family members in the Tricare Family Member Dental Plan (TFMDP) is highly encouraged.

The TRICARE Active Duty Family Member Dental Plan (FMDP) is administered by United Concordia Companies, Inc. in Camp Hill, Pennsylvania. It is a voluntary Comprehensive dental plan available to family members of all active duty Uniformed Services personnel. When the active duty member (sponsor) enrolls family members in the FMDP, a monthly premium is paid through payroll deduction. The plan has cost shares, maximums, and limitations similar to typical civilian dental group plans. The amount covered by the plan ranges from 100 percent to 50 percent, depending on the type of service. Family members must receive dental services in the United States, Canada, Guam, the U.S. Virgin Islands or Puerto Rico.

Detailed FMDP coverage and enrollment information are contained in the FMDP Benefit Booklet. Sponsors and family members may call United Concordia's toll free Customer Service Department at 1 800-866-8499 (or 1 800 891-1854 for Hearing Impaired) Monday - Friday from 8AM - 8PM EST.

CATEGORY: FAMILY ISSUES

INSTALLATION :: OVERVIEW

When you need assistance, the Fleet & Family Support Center is available during normal working hours. An alternative is Navy OneSource, providing counseling and referral services 24/7. Your FFSC staff will do their best to serve you in any way possible, providing you with the information and support necessary for you and your family to maintain a sound quality of life. The Center

currently provides short-term non-medical counseling to active duty military and their spouses. Counseling is kept in strictest confidence, except as noted in the Privacy Act of 1974. Other services include Spousal Employment Assistance; Financial Education; Relocation Information and Assistance including a hospitality "loan locker" for military newcomers; an Education program for New "first time" expectant Parent(s); Retired Activities Office providing assistance to military retired/surviving spouses; and Transition Assistance to active duty military preparing to separate or retire.

Sometimes it seems easier for families to make friends and be a part of a community than for single people. This does not have to be true for you. The key to being part of the Navy community is getting involved. Join a church or synagogue, sign up for educational courses, recreational programs, volunteer programs, or take part in a special interest group.

Make a list of all the activities you participated in before your move; add some others you would like to try, then find out how to find these activities through sources as the Fleet & Family Support Center, the Recreation Center, or your units bulletin board. Enjoy your new location and get involved! Child care and youth services are available at NAS Jacksonville through the Child Development Program, Child Development Homes, and Youth Activities.

The Child Development Center at NAS Jacksonville is a "Nationally Accredited Program", which exists to enhance the quality of life for military and base civilian families. There are three major goals our CDC strives to achieve daily for its children: 1) to provide a safe, clean, reliable and caring environment, 2) to provide a developmentally age-appropriate program of positive activities, and 3) to encourage maximum parent interest and involvement. To utilize either the CDC or Child Development Homes (CDH), children must be completely registered to include an application form, up-to-date immunization record, documentation of recent health exam, authorization release for emergency medical care, and parent's military or DOD I.D. card.

INSTALLATION :: RELOCATION ASSISTANCE

Contact the Work Life & Family Consultant at your present duty stations Fleet & Family Support Center. Ask for the SITES information printout for your new assignment or potential assignment. Once your orders are in hand, contact your new command and request a sponsor. This person becomes your partner in your move and he/she can be very helpful by providing additional information and answering questions for you. The Work Life & Family Consultant at your new duty station is also willing to assist you. COMMUNICATE YOUR NEEDS AND THEN FOLLOW-UP. COMMUNICATIONS IS THE KEY TO A SUCCESSFUL MOVE!

The Relocation Office is located in the Fleet & Family Support Center, Building 554 located on Child St. directly across from the Child Development Center. This office provides a complete

relocation service including the SITES information, from more than 350 military/Coast Guard/DLA installations that list their information in SITES. Installation information includes phone numbers, addresses, and email addresses of key personnel, as well as local community facts and organizational contacts. PCS housing assistance information for Navy & Marine Corps bases; video tapes for several overseas locations; culturgrams for various countries; Information and Referral Service; individual relocation assistance counseling; Relocation Information Workshops; Sponsor Training; computer generated autotrip routing for personnel PCSing by car to their new duty station. A hospitality "loan locker" is offered to newcomers in need. The loan locker offers a temporary loan of a kitchen pack (pots n pans, dishes, utensils, toaster, coffee maker etc.) for 30 days while you may be waiting on your household goods. This kit, plus futon type sleep pads, a few baby play pens, and a couple of baby high chairs are available on a first-come first-served basis for new arrivals. You must bring your orders to check out these items. Relocation Assistance appointments are recommended.

INSTALLATION :: CHILD DEVELOPMENT

The Child Development Center is located in building 705 on Child St. and provides full-time and drop-in care for children ages six weeks of age through five years. Infants must have documentation of a well-baby check-up to qualify for care.

Full-time includes up to ten hours of care each weekday (excluding Federal Holidays). Priority for full-time care is given to single and dual-military families. Weekly fees are based on the total annual family income, as regulated by the Department of Defense. Weekly patrons must provide the CDC with financial information and the most recent leave and earnings statements (LES) and/or paycheck stubs to determine weekly fees. Breakfast, lunch and afternoon snacks are provided each day by the CDC.

Drop-in care is available on a limited space available basis. Reservations are accepted up to one week in advance. School Age Care is available for family members of military and DOD personnel for children ages Kindergarten - twelve years, attending Venetia Elementary School.

Trained counselors help children with homework, arts & crafts, nature and other activities. All counselors have experience in Childhood Education and are CPR & First Aid certified. Contact the Youth Activities Center for additional information.

INSTALLATION :: FAMILY ADVOCACY

What is Family Advocacy? This program is a Department of Defense initiative for the prevention, education, intervention and treatment of child physical abuse, child neglect, child sexual abuse, spouse abuse and sexual assault. How does it work? When a suspected case of abuse occurs it is reported to the Family Advocacy Representative (FAR). It is the responsibility of the FAR to investigate and track all cases of abuse. Will one person decide a case? NO!!! After the investigation a sub-committee will review the case. The sub-committee is chaired by a medical office and consists of the FAR, physicians, counselors and investigative personnel. The sub-committee will decide if the charges are founded, unfounded, suspected or high risk. The sub-committee then recommends a plan of action to the servicemember's Commanding Officer. The goal of the program is to protect victims, strengthen families and keep valuable service members in the Navy. INSTALLATION :: FINANCIAL ASSISTANCE

The Fleet & Family Support Center (FFSC) is the training site for the Command Financial Specialist Program. Command Financial Specialists are trained to assist members and families of their commands/departments. This program emphasizes personal financial responsibility and accountability by providing basic principles and practices of sound money management, counseling tools and referral services. This training is held periodically throughout the year. Call for details.

\$\$\$ (OCT/NOV 2004) CFS Training is suspended at this site temporarily due the retirement of supporting staff. CFS classes will resume once the remaining staff receives train-the-trainer training.

Financial counseling will be provided by the Work Life & Family Consultants. The consultant will provide financial guidance to personnel experiencing money management difficulties or for those who wish to be in control of their finances. Appointments are made on a referral basis from the members command/department Command Financial Specialist. The Consultant can work with you to prepare a personalized budget and spending plan. Information and assistance is also available in areas such as military pay and allowances, consumer rip-offs, savings, insurance, car buying, home buying, credit card management, and much more.

TUITION ASSISTANCE FOR FAMILY MEMBERS

Navy-Marine Corps Relief Society (NMCRS) Education Programs: The NMCRS Spouse Tuition Aid Program (STAP) is available for spouses residing with active duty servicemembers (Sailors and Marines) stationed overseas. The program provides tuition assistance for full-time and part-time onbase education programs at the graduate and undergraduate levels. Spouses in Alaska and Hawaii are not currently eligible since NMCRS does not consider these areas to be stationed overseas locations at this time. STAP grants provide up to 50 percent of tuition costs, not to exceed \$300 per term for undergraduates and \$350 per term for graduates, to a maximum of \$1,500 for undergraduate and \$1,750 for graduate students each year. STAP is a need-based program, and requires individuals to complete a budget with a trained NMCRS interviewer. The budget serves a two-fold purpose. It is the basis by which aid is granted, and also serves as the conduit through which sound budgetary advice can be provided, where needed.

The VADM E. P. Travers Scholarship and Loan Program has been expanded from dependent children only to include spouses of active duty servicemembers (CONUS/overseas), effective with academic year 1997/1998. Qualified applicants are ranked according to financial need, and the Society is limited to 1,000 scholarships, spread among dependent children of active duty and retired Sailors and Marines and spouses of active duty servicemembers. The program provides a scholarship of up to \$2,000 and/or an interest-free loan of up to \$3,000 per academic year. Enrollment must be for full-time undergraduate study at an accredited institution recognized by the U.S. Department of Education.

To obtain an application or additional information on these programs and other NMCRS education programs, call NMCRS at (703) 696-4960 or DSN 226-4960, or visit your local NMCRS office.

INSTALLATION :: DEPLOYMENT

Pre-deployment preparation is a key factor in making your deployment less stressful overall for yourself and your family.

The Fleet & Family Support Center has appointed "Command Representatives" as a Point Of Contact (POC) between the unit and the FFSC. These POC's should maintain frequent contact with the deploying command/unit and be available to provide pre-deployment briefings to their personnel. Additional resources for deployment support include the Lifelines Web Site, and also Navy One Source. Refer to the Contact listing for more information.

INSTALLATION :: LEGAL ASSISTANCE

Navy Legal Service Office: Our mission is to enhance the readiness of active duty and Reserve members (on active duty for 30 days or more) of the Navy and Marine Corps, and to protect and

enhance their morale and promote their welfare, by providing quality legal services regarding personal civil legal matters to eligible persons; and to educate eligible persons regarding their personal legal rights and responsibilities. The Legal Assistance Office provides legal assistance services to Active Duty members of the U.S. Navy, U.S. Marine Corps, U.S. Army, U.S. Air Force and U.S. Coast Guard, and their dependents. Assistance is provided to retirees as resources permit.

Attorneys counsel clients on numerous topics, but not on any that involve military justice or actions against the United States government. The information here is designed to be general and does not in any way replace competent legal advice. Entering this page creates no attorney-client relationship. This list is not intended to be comprehensive and attorneys may provide assistance on additional matters.

INSTALLATION :: EMERGENCY ASSISTANCE

No matter how well you've planned, emergencies do happen. What should you do in case of an emergency while you are traveling?

First of all, make sure you have all of your important papers with you - not packed with your household goods. "Include this SITES booklet". Telephone numbers for the JOOD, your Command Duty Office and your sponsor can be invaluable in case of emergency while in transit.

The American Red Cross is always available for emergency aid anywhere you may be. Contact the AMERICAN RED CROSS ARMED FORCES EMERGENCY CENTER TOLL-FREE at 1 877-272-7337. They can sometimes help with emergency financial assistance, and by contacting individuals who will need to know where you are and what's happening.

If you are near a military installation, contact the Navy/Marine Corps Relief Society or that Service components equivalent office, for emergency assistance. See the contact list for the NAS Jacksonville office. Let them assist you in time of financial difficulty. Do not go to payday lenders or title loan companies!!!

Navy Marine Corps Relief Society can provide emergency assistance based upon need, through either loans or, when there is a particular hardship, grants. Categories of financial assistance include: Basic living expenses (food, shelter, utilities), medical not covered by Tricare, dental not covered by Tricare Dental, funeral expenses, emergency transportation, essential car repairs, pay and allotment problems, disasters and assistance for widows, mothers and children.

Plan for the unexpected and it probably won't happen.

TO REPORT A FIRE on base, DIAL 911. Do not use a Cellular telephone, since it connects off-base to the Jacksonville Sheriff's Office, and not to the on-base fire department.

The NAS Jacksonville maintains an EMERGENCY FOOD LOCKER for active duty military personnel in need. Call the Officer of the Day office for additional information.

Sexual Assault Victim Intervention (SAVI), refer to the contact listings:

LOCAL COMMUNITY :: YOUTH SERVICES

There are numerous things to do in the greater Jacksonville area, most of which will require some form of transportation.

On the Northside of Jacksonville: "Jacksonville ZOOlogical Gardens". Ride the railroad or take the elevated boardwalk to see over 500 animals in their natural habitats. Open Daily 9-5 except Christmas, New Years & Thanksgiving Day.

Westside: Horseback Riding at the Diamond D Rent Horse Stables, located off of Normandy Blvd. Adventure Landing Golf and Games located on Blanding Blvd. N. of 103rd St.

Southside of Jacksonville: Adventure Landing; water slides, go-karts, mini golf, arcades, laser tag, and batting cages. King Arthur's Amusement Castle, an indoor amusement park with laser tag, bumper cars, spaceship rides, mini-golf, ferris wheel, 100 game arcade, movie theatre, restaurant and more. (Both of these are located on Beach Blvd.)

Mandarin Mill Family Golf, Games & Batting Cages in Mandarin.

Other water theme parks within a 90 minute drive include Summer Waves at Jekyll Island, Ga and Wild Waters next to Silver Springs in Ocala, FL. (Here's a tip if you go to Jekyll Island "take insect repellent because there are little biting gnats (No-Seeums) in south Georgia.)

Continuing with the water theme, brave the "always cool" natural spring waters (a constant 72-73 degrees fahrenheit) and try inner-tubing down the Itchetucknee River, finishing with a picnic in either the upper or lower state camp grounds. Itchetucknee State Park is located about 90 minutes west southwest of Jacksonville.

Beaches: Of course there are plenty of beaches along the Atlantic coast from Fernandina southward to past St. Augustine. From NAS Jacksonville it is about a 35-45 minute ride to the beaches, or a 3 hour ride to western Florida's white sandy beaches on the Gulf of Mexico.

Speaking of St. Augustine, there is plenty of history to explore, tourist attractions and cool shops to visit in the Our Nation's Oldest City. In early December, normally the first Saturday, the city and the USO celebrate USO PAL Day. This is a military appreciation day and most attractions you would spend several dollars on to visit are free to the military person in uniform and his/her family. Some of the many things to visit include: the Alligator Farm; The Fountain of Youth; Marineland; Potters Wax Museum; Ripley's Believe It or Not; the Sightseeing Trains with a narrated tour of the historic sections, and much more.

There are several old lighthouses and historical forts along the coast to visit. A host of museums, including the Alexander Brest Museum (also a planetarium with laser light shows), and the Museum of Science and Natural History. Both are located in Jacksonville's downtown area on the South bank of the St. John's river.

Cultural Arts: The Florida Times-Union Performing Arts Center featuring world renown stage and musical performers; Florida Community College of Jacksonville (FCCJ) sponsors many theatre performances; Concerts in the Park at Metropolitan Park; The Florida Theatre; The Alhambra Dinner Theatre featuring Broadway musicals, comedies and a dinner buffet; and several museums of cultural art.

Central Florida attractions include Daytona's famous beaches; Kennedy Space Center; Disney's numerous attractions, Universal Studios; Seaworld in Orlando; and Busch Gardens Theme Park in Tampa Bay. All are within a 2-3.5 hour drive of Jacksonville. Be sure to visit the ITT office next to the Navy Exchange for discounted tickets, attraction information, and Jacksonville Transit Authority (JTA) Bus schedules.

Welcome to Jacksonville. Enjoy your stay!

2004 Naval Air Station Jacksonville Air Show

Scheduled for Oct 29-31. During this year's air show, you will notice some additional security measures. These procedures have been instituted for your protection, and for the protection of our military personnel and their families aboard the station. Thank you in advance for your patience and cooperation. Of course, a U.S. Navy air show would not be complete without the Blue Angels. I am extremely proud to say they are here with us again this year, celebrating more than 58 years of naval aviation history. Please join me in welcoming them back to their birthplace and in saluting Blue Angels past and present. I encourage you to take the opportunity to tour the flight line static displays and see firsthand the wide variety of military and civilian aircraft and hardware represented this year. You'll also see some of the world's finest military and civilian aviators scheduled to perform breath-taking aerial acrobatics for your viewing pleasure in the skies over NAS Jacksonville. We're happy to have the opportunity to express our appreciation and gratitude to our First Coast neighbors for your support of our Navy men and women, and their families. Quite simply, we could not do it without you! I sincerely hope you enjoy the 2004 NAS Jacksonville Air Show and take advantage of the opportunity to experience the sights and sounds of freedom during this tradition that celebrates the unity and close friendships between our community and this installation. Captain Chip Dobson, Commanding Officer, NAS Jacksonville.

Child Development Homes (CDH)

The CDH program certifies military family members (adults) to provide child care services for other military and base DOD employees in their own homes. To be certified, a provider must apply to the CDH program, maintain CPR and First Aid Certification, attend a 20 hour training program, go through regular inspections and/or approvals by the Housing Office, Family Advocacy, Fire Department and Preventive Medicine. The CDH Program provides monthly training and inspections for each provider. Typically, providers may care for up to six children including their own under the age of eight years. Full day, hourly, before and after school, weekends and nightly care are available. Providers establish their own fees for the various services. Providers may accommodate command child care needs with evening care for special events such as parties or pre-deployment briefings. The Child Development Center has a Memorandum of Understanding with Florida's Department of Family Programs for off-base family child care. For more information on becoming a provider or requesting child care services, please call 542-5381, or stop by the CDC, Bldg. 705.

FLORIDA BOAT LICENSE

*Many Branch Offices located throughout the city. LAW TARGETS YOUNG BOATERS! Effective 1 Oct 1996 a mandatory education and licensing law went into effect requiring all state boaters 16 and younger operating a motorized vessel of 10 or more horsepower without an older person aboard, to have on board a picture ID and a state-issued card certifying that they have successfully completed an approved safe-boating course. The easiest way to meet the requirements of the law is to have the prospective boater take the free state-furnished test using the "How to Boat Smart" book. It's an open book test and it can be taken in the comfort of your own home. To obtain, write to the: Department of Environmental Protection's Office of Waterways Management 3900 Commonwealth Blvd. Tallahassee, FL 32399, or call (904) 488-5600. Other means include: Taking state-approved courses offered by organizations like the Coast Guard Auxiliary, POC is Jane Coy at (904) 725-1861; material cost is around \$25.00; U.S. Power Squadrons - call (904) 366-8565; or take the free course offered by the Florida Game & Freshwater Fish Commission. Grace Episcopal Day School

In operation since 1966, Grace Episcopal Day School provides an excellent, well-balanced program for preschool through elementary aged children. We are concerned with the total development of the child--intellectually, spiritually, socially, emotionally, and physically--and are dedicated to providing a positive, Christian environment in which children can learn and grow. We integrate current, effective teaching methods and concepts with traditional approaches that inspire learning, build confidence, and promote a desire to succeed. Our curriculum is enriched with specialized art, music, science/social studies, Spanish, and computer aided instruction. Our challenging and dynamic educational program meets the needs of the average and above average child. We offer extended care programs for both the morning and afternoon. After school classes and lessons in art, ballet, voice, musical instruments, and music composition are available through our affiliate, Grace Academy of Fine Arts.

Hubbard House - a Safe Haven

24 Hour Hotline When Hope is Lost, We Give it Back Hubbard House is the beacon of hope for Northeast Florida's domestic violence victims and their families. Since our beginning in 1976, we've expanded our reach to provide free care not only for the immediate safety needs of abuse victims and their children, but also to educate, support and promote community awareness about domestic violence and it's far reaching affects in Duval, Baker and Nassau counties. Changing society's widespread attitude from "Why does she stay in an abusive relationship?" to "Why does he abuse?" is a challenge we take head on. Domestic violence is wrong. It's illegal. And we don't tolerate it.

Jacksonville Zoological Gardens

Escape to the Jacksonville Zoo for the only walking safari in Northeast Florida. Discover the earth's wildlife through interactive and educational experiences. A true family adventure, the Jacksonville Zoo is growing and changing daily, with the addition of our temporary exhibit, Butterflies! in March 2003 and the unveiling of the Zoo's premier attraction, Range of the Jaguar in March 2004. The Jacksonville Zoo has something for all ages with over 1,000 rare and exotic animals. Whether you are a visitor to Florida's First Coast or a lifetime resident, come experience the Jacksonville Zoo through interactions with people, wildlife and the environment. Range of the Jaguar - Open March 5, 2004! Come to the Range of the Jaguar after March 5 and see the Zoo's newest and most exciting exhibit buzzing with life! As the name implies, the exhibit will feature jaguars. We have taken our experiences working with jaguars over the last 20 years and built what we believe to be the finest jaguar exhibits and holding facilities in North America. Here amongst the lush vegetation, waterfalls and pools, you can catch a glimpse of a jaguar as it pounces from rock to rock or climbs a fallen tree. You might even get to see jaguar sisters Onca and Salsa swim and chase fish. In addition to jaguars, we will exhibit over 100 different kinds of animals, many on exhibit in Jacksonville for the first time. Exhibits Walk the winding halls of the captivating Lost Temple to see bird-eating tarantulas, giant marine toads, poison dart frogs, vampire bats, alligator lizards, Amazon tree boas and more. Catch sight of howler monkeys, giant anteaters and capybaras coexisting in the River's Edge exhibit. As an Inca dove flies overhead in the Emerald Forest Aviary, a pudu, the smallest deer species, might dart across your path. Look for a red-capped cardinal perched above you or a South American red-footed tortoise moving lazily on a rock. While in the aviary, you'll have an opportunity to see the largest freshwater fish, the arapaima, which grow to over six feet long and can weigh up to 400 pounds. The Village Market Visit the Zoo's newest gift shop in the Range of the Jaguar. Stocked with a Central and South American flair, it offers authentic pots, hand-sculpted animals and other crafts made by citizens of Guyana. The shop also offers books, apparel and other Central and South American related souvenirs. Palm Plaza Café The Zoo's newest restaurant, located in the Range of the Jaguar, offers delicious Southwestern foods such as burritos, tortilla wraps, black beans and rice, fruit empanadas and more. Dine in a casual atmosphere as you gaze through three enormous windows that look directly into the jaguar exhibit. Driving Directions From I - 95 North or South, take exit number 358A to Heckscher Drive East. Entrance to the Zoo will be on the right. From the Napoleon Bonapart Broward (Dames Point) Bridge or 9A, take exit Heckscher Drive West. Entrance to the Zoo will be on the left.

NAS Jacksonville Veterinary Clinic

We've recently moved to a new location, two blocks south of the base gas station. Our facility is limited to services permitted by regulation. These include vaccinations, heartworm testing, fecal testing and minor treatment of the ears, eyes, and skin on an outpatient basis. We do sell some products such as heartworm and flea preventatives. We do not provide emergency services for pets. Additionally, we are prohibited by regulation from performing routine surgeries on privately owned pets. The Jacksonville area has many fine veterinarians to provide services we are prohibited from providing. We suggest you ask friends and acquaintances with pets for recommendations on a local veterinarian. For safety reasons we strongly discourage children from being inside the VTF. If you still choose to bring your children with you or just have no other choice they will be asked to remain out in the back hallway, away from the potentially dangerous, crowded waiting room. This is for their safety only. NAS JAX does not have any boarding facilities on Base. The Navy Lodge does not permit pets, therefore some planning is necessary for those pet owners arriving at NAS JAX. The vaccine manufacturers and we suggest that you begin a vaccination program for your new puppy or kitten by (8) weeks of age and to continue a series of 'boosters every three (3) weeks until 18 - 22 weeks of age. This final booster age will depend on the consistency of vaccination boosters and the breed of your pet.

Navy College Office

The Navy College Program, NCP, provides opportunities to Sailors to earn college degrees by providing academic credit for Navy training, work experience, and off-duty education. The NCP mission is to enable Sailors to obtain a college degree while on active duty. In support of the four R's- Recruiting, Readiness, Retention, and Respect, the NCP signals Navy's commitment to education by improving enlistment appeal, demonstrating Navy service and achieving a college degree are compatible, helping Sailors apply themselves to new situations and challenges and better preparing them for advancement, building up Sailors' self-image, and producing higher quality Sailors. The Navy College Program integrates all components of Voluntary Education. While the NCP is primarily geared toward enlisted Sailors, some NCP components are also available to officers.

Navy Wives Club of America #86

What is NWCA? The country's only national organization of Navy, Marine and Coast Guard enlisted wives. NWCA was chartered in 1936 and has grown in chartered clubs throughout the world. What is our purpose? To promote a friendly, sympathetic relationship among the wives of enlisted men of the United States Sea Services. To extend relief and assistance to needy members and other families of military personnel, and to help our community when and where we can. NWCA Jax #86 holds monthly meetings on the first Wednesday of each month in Bldg. 612 (left side of Auditorium), Jason St., NAS Jacksonville at 7:30 PM. NWCA #86 runs a Not New Shop, which is open Tues & Thurs 0900-1300, and on the 1st & 3rd Saturdays from 1000 to 1300. Location is Bldg. 612 (right side of Auditorium). Attend our next meeting! Navy-Marine Corps Relief Society

Excerpted from the Welcome to the Web site of the Navy-Marine Corps Relief Society. Here you will find a little history and information about the Society, what services we have available for eligible recipients, where to find the nearest Society location, and information on how you can help us help those in need. Founded in 1904, the Navy-Marine Corps Relief Society is a private non-profit charitable organization. It is sponsored by the Department of the Navy and operates nearly 250 offices ashore and afloat at Navy and Marine Corps bases throughout the world. The Society was incorporated in the District of Columbia and has its headquarters in Arlington, Virginia. It is managed by a Board of Directors whose members are active duty or retired members of the Naval Services, or spouses of active duty or retired members of the Naval Services. The mission of the Navy-Marine Corps Relief Society is to provide, in partnership with the Navy and Marine Corps, financial, educational, and other assistance to members of the Naval Services of the United States, eligible family members, and survivors when in need; and to receive and manage funds to administer these programs. The Society provides financial assistance to eligible recipients in the form of: Interest-free loans and grants to meet emergency needs Needs-based scholarships and interest-free loans for educational purposes. In addition, the Society offers the following services: Budget Counseling Services Food Lockers at some locations Infant Layettes ? "junior seabags" and Budget for Baby Seminars Thrift Shops Visiting Nurse Services. Our Vision: We are a private, non-profit, volunteer, service organization. As a Center of Excellence, we are committed to ensure that all available resources are used to assist personnel of the Naval Services ? active, retired, and their eligible family members ? to achieve financial self-sufficiency and find solutions to emergency needs. The Society can help: Active duty and retired Navy and Marine Corps personnel; Eligible family members of the personnel listed above; Eligible family members of Navy and Marine Corps personnel who died on active duty or in a retired status; Reservists on extended active duty Indigent mothers (65 years or older) of deceased servicemembers who have limited resources and no family to provide for their welfare Ex-spouses "20-20-20" (unremarried former spouses whose marriage to a servicemember lasted for at least 20 years while the servicemember was on active duty) Uniformed members of the National Oceanic and Atmospheric Administration (NOAA) and their eligible family members. More than 3,000 trained Volunteers,

both ashore and aboard ships, accomplish the major portion of the Society's work. They are supported by a small cadre of employees. The Society enjoys an active partnership with the Navy and Marine Corps and benefits extensively from the active involvement of the command structure at the bases where the Society maintains a presence. The commanders themselves, as well the senior enlisted leadership, chaplains, and family service center personnel, play an important role in the conduct of the Society's business. Although sponsored by the Department of the Navy, the Navy-Marine Corps Relief Society receives no funding from the government. The work of the Society is supported by an annual fund drive conducted by the Navy and Marine Corps, and by a direct mail campaign of the Navy and Marine Corps retired community. Both fund drives are conducted under the auspices of the Secretary of the Navy. All contributions are returned to clients in the form of relief or educational assistance. Overhead expenses are covered by proceeds from the Reserve Fund established during World War II. Contributions to the Society are deductible under Section 170(b)(1)(a) of the IRS Code. The Society is exempt from Federal income tax under Section 501(c)(3) of the Code.

NEX Lock & Leave Storage Center

As a member of today's military, your duties involve reassignments and TDYs, many of which require moving at a moment's notice. How do you secure household items you can't take with you? Where do you keep sports and recreational equipment when they are not in use? Lock & Leave Storage Centers offer a variety of personal lockers, with some tall enough to store your skis and surfboards, and others small enough to safeguard your confidential documents. We also have compartments deep enough to store bicycles, motorcycles and carpet, and wide enough to store jet skis and furniture. We offer flexible rental plans with monthly, quarterly and yearly contract options. Our centers are easily accessible, and a portion of our rental revenue goes to support your MWR Fund. Secure and convenient - all of our compartments are steel with rugged roll-up or swing door designed to accept your lock. Stop by the Autoport to reserve your storage space.

Personal Property Outbound

Customer hours: Mon - Fri 7:00AM-3:00PM Group orientations are presented on various days for Continental U.S. (CONUS) moves, Do-It-Yourself (DITY) moves, and Out of CONUS (OCONUS) moves. ONCE YOU RECEIVE YOUR WRITTEN ORDERS, go online to the Smartwebmove address and set up your HHGs move (not available for DITY move). Then submit your orders to them via Fax or in person. Call personal property if you have questions or to schedule your group appointment. Located in the Fleet Industrial Supply Center, Bldg 110 Yorktown Ave. Turn left at the 7th traffic light after entering the main gate. The office is located on the first floor. When you keep your appointment, you will need to provide 2 complete copies of your orders (with amendments-if any) for each shipment you plan to arrange, as well as complete pickup, in-transit, and destination information including telephone and E-mail information and names of releasing and receiving agents. You may wish to appoint someone to act in your behalf to arrange your shipment(s). This written appointment must be notarized or your signature witnessed by an O-5 or above and presented with the orders when arranging your move, or you can designate them as your representative on the DD Form 1299, to be completed in our office during your group orientation briefing. If you are shipping a mobile home, or Privately Owned Vehicle (POV shipped only to authorized overseas locations), you will need to provide your current registration. The weight allowance, based on your paygrade and whether or not you have family members, includes the weight of the personal property being shipped or placed in storage. Each shipment will be weighed before delivery. The service member is responsible for transportation costs of personal property that exceeds the weight allowance, if shipped a further distance than authorized, or requires special services requested by the member. See HHG Weight Allowances for more information.

Personal Property Transportation Office

Jax PPO Customer service hours: Mon - Fri 0700-1500. All outbound personnel should contact the nearest PPO for counseling, packout, and permanent storage. However, in most cases, members may preclude a visit to the PPO by arranging their move online, via the Smartwebmove address. This website is a user-friendly program developed to help the service members and their families plan and arrange personal property moves online. SMARTWEBMOVE makes your move a lot easier, saves time, provides on-line entitlements counseling and provides a printout of your move information. To use SMARTWEBMOVE you will need Internet access, official orders, information about any dependents, and a Power of Attorney (if you are acting on behalf of the service member).

Pet Transportation

For information on transporting pets as you PCS. Military personnel shipping pets overseas may send only dogs and cats on Air Force Air Mobility Command (AMC) charters. Other pets are not allowed. Pet shipment is a privilege limited to charter passengers in a permanent change-of-station status, and waivers are required to ship more than two pets per family. The weight limit is 99 pounds, including the cage or shipping container. It costs about \$85.00 to ship a pet and kennel weighing up to 70 pounds, and that cost doubles for pets (and kennel) weighing 71 to 99 pounds. Pet owners are responsible for the preparation and care of their animals and all documentation, immunization, and border clearance requirements. (VISIT YOUR INSTALLATION'S VETERINARIAN OFFICE FOR SPECIFIC INFORMATION, AT LEAST 90-120 DAYS PRIOR TO DESIRED SHIPMENT DATE. During the summer months, from about mid April through mid september, you may find that you are denied shipment due to heat related liabilities). A small pet can travel in the charter aircraft cabin, with special permission from AMC, if it is in a hard-shell kennel not exceeding 20 inches by 16 by 8. Service members should advise their transportation office (at PSD) about their pets when they make arrangements for their own travel. People who need a waiver can contact Air Mobility Command via telephone, email, or fax them a request.

Retired Activities Office (RAO)

Located in Fleet & Family support Center Bldg. 554, across from the Child Development Center on Child St. From the Main Gate, go 3 blocks and turn right on Child St. Drive 1 1/2 blocks and the FFSC is on the left. Hours: Mon-Fri 0900-1500, manned by experienced volunteers. Attention Retirees; Do you have questions on: Retirement Pay Survivors Benefit Plan Tri-Care Health Coverage Change of Beneficiary Legislative items and you don't know who to call? The Naval Retired Activities Office (RAO) helps all Armed Forces retirees, their family members, and survivors to ensure they understand and receive their rights, benefits and privileges. The mission of any RAO is to provide an informal, person to person link between the retired community and official resources, both military and other governmental agencies, and even appropriate non-governmental agencies. Our "Clients" (for lack of a more appropriate designation) include military retirees (of all seven of the uniformed services), their family members and survivors. The assistance rendered these clients includes, but is not limited to, these general subjects: retired pay; COLA's; medical availability information in military and civilian facilities; insurance, both medical and life; income tax; legal (we do not provide legal advice, but have to have an ability to recognize when a client should be referred to an attorney, military or civilian; civil service employment/retirement as it relates to military service; Veterans Administration benefits; Social Security; the military Survivors Benefit Plan (SBP), the Uniformed Services Former Spouse Protection Act; and casualty assistance in filing claims and receiving benefits to which survivors may be entitled. We consider all of these subjects to be important but casualty assistance we consider to be of the utmost importance. Psychologists have determined that the death of a spouse is the most stressful experience that a person encounters during life. Many of our survivors are completely unprepared for this inevitable experience--most notable emotionally and financially, but also uninformed concerning practical procedures. The office exists to be of assistance to retirees and their families.

Shands Jacksonville

Proximity to site: 30 minutes Fast facts about Shands Jacksonville: 760-bed, not-for-profit academic medical center Level I trauma center 780 University of Florida faculty and community physicians Shands Jacksonville

was created in 1999 when Shands HealthCare, the University of Florida, University Medical Center and Methodist Medical Center joined forces to build the premier health resource for northeast Florida. The hospital's mission is to heal, to comfort and to educate in an environment where exemplary medical care is complemented by outstanding service. The hospital is one of six Level I trauma centers in Florida, and serves 19 counties in northeast Florida and south Georgia. TraumaOne, the hospital's emergency airlift program, transports more than 800 patients with trauma, cardiac and stroke emergencies each year. The emergency program's BK-117 helicopter provides the most advanced aeromedical transport service available. Shands Jacksonville's chief strength is its role as a provider of highly technical specialty services including: Breast Health Center Cardiovascular Center Dialysis Center Infusion Center Kidney transplants Level III Neonatal Intensive Care Unit Nationally recognized Comprehensive Stroke Program Regional Perinatal Intensive Care Unit Parkinson's Center Florida Poison Information Center With a focus on access to the latest clinical care, research advances and state-of-the-art technology, several initiatives are underway that highlight the synergy created by the alliance with Shands HealthCare to benefit the citizens of Jacksonville and beyond including: Development of the UF Shands Cancer Center that offers care in both Gainesville and Jacksonville under the direction of a newly recruited, nationally recognized physician scientist. Integration of the UF Department of Radiation Oncology offering education and training as well as therapy for cancer patients in both locations. Integration of the UF Department of Emergency Medicine, the first clinical and academic department with a base in Jacksonville. SmartWeb Move Coordinator

Ease and convenience has been extended to Navy service members and their families in the greater Jacksonville area, as they can now arrange their household goods move over the internet. This Quality of Life initiative will eliminate the need for a servicemember to attend a mandatory group counseling session by enabling the member to fill out all required information concerning the Household Goods Move Process on-line. SmartWeb Move is designed to service routine moves and simple entitlements based on Permanent Change of Station (PCS) orders. CURRENTLY IT SERVES SAILOR AND THEIR FAMILIES WHO HAVE PCS ORDERS TO A NEW DUTY STATION, HOMEPORT, HOME OF SELECTION OR HOME OF RECORD WITHIN THE CONTINENTAL UNITED STATES. SmartWeb Move is easy to use. Users simply log on and fill out the on-line questionnaire to receive a report of entitlements available to them. The system allows members to fill out all necessary forms, arrange their household goods move, choose pack and move dates, and submit the forms to their Personal Property Office via the Internet. If there are questions, the members simply click on an information icon, which provides additional detail concerning the entitlement or procedure. SmartWeb Move eligibility is based on member's orders and the types of property they will be moving. For more information on using SmartWeb Move, log on to the web site or contact the Jacksonville Personal Property Office SMARTWEB Coordinator, Mrs. Johnson.

Spouse Employment Assistance Program Manager

Office hours: 7:30am-4:00pm Mon-Thur, 7:30am-3:00pm Fri. Closed alternate Fridays. For an appointment, please call 542-2766 ext 151. Eligible clients include military spouses, active duty military, retirees, who are seeking employment. The SEAP counselor interviews the client to assess their qualifications, employment skills and/or career aspirations. Files are maintained on each individual, and the counselor attempts to match applicable people with the employer's requirements. As the prospective employees' skills are matched with employer requirements, individuals are referred to the job site for an interview, and hopefully hired.

Appointments for the following free services are available by calling: 904/542-2766 ext 151: Job information & referral, career counseling, resume writing, and classes to improve job search skills. Ask about the next Fleet & Family Support Center sponsored 'Job Fair'.

St. Marks Episcopal Day School

Comments: St. Mark's Episcopal Day School is an elementary school (Pre-K to 6th Grade) located right off of Hwy 17 a few miles north of NAS Jacksonville. The lush, green 5-acre campus is nestled along the St. Johns River in the safe Ortega neighborhood. St. Mark's is dedicated to educational excellence within a Christian environment. Small class size and a dedicated faculty foster a personal connection between teachers and their students. In addition to Pre-K - 6th grade, we offer a 1- and 2-year old Early Learning Program, and an Extended Day Program for early drop-off and late pick-up. We are open to families of all faiths and offer financial assistance to families with children in grades K-6th. We also offer a wonderful summer camp program for all ages. Please contact Susan Kwartler, Director of Admissions, to schedule a tour and/or for more information. From I-295 North take the first exit off of the Buckman Bridge to Highway 17 North. Continue on Highway 17 past the Jacksonville Naval Air Station. Stay in your right lane through the Timuquana Road intersection. Bear right onto Ortega Blvd. Stay on Ortega Blvd. for approximately three miles until you reach St. Mark's Episcopal Church on the left side of the street. The School is located directly behind the church. From Highway 17 South turn left on San Juan Avenue. Travel on San Juan Avenue across Herschel Street and then you will cross the Ortega Bridge. Continue around the curve and you will be on Ortega Blvd. You will see St. Mark's Episcopal Church on your right. Turn right behind the Church on Oxford Avenue, and the School will be on your right.

Victory Baptist Church/Christian Academy

Pre-K through 12th grade. Fully accredited by the Florida Association of Christian Colleges and Schools (FACCS). Victory Christian Academy is also a member of the American Association of Christian Schools, a nationally recognized organization. VCA is a non-denominational, non-profit Christian school supported by tuition. The program is coeducational and college preparatory and extends from daycare through twelfth grade. Though students are accepted from other denominational backgrounds, the school is Baptist in doctrine. Curriculum: A Beka, a strong biblical based curriculum is used in pre-kindergarten through 6th grade. This includes the Christian Reading Series, science taught from a biblical point of view and traditional math. Students in 7th through 8th grades are assigned to class sections, organized heterogeneously in which they move through five core subjects of English, Bible, Math, Science and Social Studies. Emphasis in the

secondary grades (9-12) is on a preparation for matriculation into colleges or universities. Curriculum design and course format meet FACCS standards as well as standards set up by the state.

Voter Registration, Duval County

Residents must be 18 years of age on or before voting day and must register 30 days prior to election to vote in local, state and national elections in Florida. New residents may register immediately upon moving to the city except during the 30 days prior to election when books are closed. Citizens who vote at least once every two years need not re-register. For more information, call 904/630-1410. Elections Supervisor is "on line" with a home page featuring information about voter registration, absentee ballots, elected officials, election dates and other election-related items. Plans are under way to list candidates once they have qualified for the fall elections. Most military personnel will register through their command voter registration officers. Many public libraries also have registration forms available.

WIC (Women, Infants & Children)

WHAT IS WIC? WIC is a special food program for Women, Infants and Children. It is funded by the United States Department of Agriculture. In Florida, WIC is administered by the Department of Children and Families, formerly (HRS), through the county public health units or contract agencies. To be eligible for the WIC program, you must be a pregnant mother, a breastfeeding mother, a new mother, an infant, or a child up to five years old. Fathers may also bring their children to apply for WIC. You must be below a certain income level and have a nutritional need that can be helped by WIC foods. Before you start the program and about every six months after that, you or your child will be checked by a doctor, nurse, nutritionist to see if you have a special need for WIC foods. You will graduate from the program when you no longer have that special need.

Wolfson Children's Hospital

Proximity to site: 40 minutes Wolfson Children's Hospital (WCH) is a regional referral hospital serving children and is the only children's hospital in Northeast Florida and Southeast Georgia. Our staff and physicians believe children have special healthcare needs, and they cannot be treated as little adults. The hospital's facilities, equipment and staff are oriented toward children. A team approach that extends from physicians to nurses to technicians and the rest of the hospital staff creates a family-like atmosphere for patients, enhancing the care they receive. Our physicians are dedicated professionals in fields from virtually all medical and surgical specialties and subspecialties. Wolfson Children's Hospital is the main pediatric teaching facility for the University of Florida/Jacksonville Pediatric Residency Training Program. Through a collaborative agreement, the institution provides University of Florida residents a comprehensive inpatient experience as well as additional educational opportunities in multiple pediatric subspecialties and research. Nemours Children's Clinic and Shands/Jacksonville also play an integral role in the pediatric residency program, allowing these young professionals the opportunity to be involved with a diverse patient mix and nationally renowned faculty. Wolfson Children's Hospital is proud of its affiliation with the University of Florida/Jacksonville.
